Summary Report

Log 1073214

INVESTIGATION:

In his statement to IPRA on 09 JAN 2015, [REDACTED] the Complainant, stated that on 03 JAN 2015, at approximately 1950 hours, he was driving his vehicle on the 6200 Block of South Cottage Grove. He had just dropped off his girlfriend and was talking on a hands-free cellular telephone as he was driving. Sometime after doing so, [REDACTED] was pulled over and an unidentified female officer approached his vehicle. This officer asked him for his driver's license and vehicle registration. [REDACTED] subsequently provided his driver's license but indicated that he could not immediately locate the vehicle registration. The same female officer instructed [REDACTED] to waive the vehicle registration form out of the window if he could find it as she returned to the police vehicle. A moment later, [REDACTED] located the document and waived out of the front driver side window as instructed. The same female officer returned to [REDACTED] vehicle and looked at the registration, but issued him a ticket for talking on a cellular telephone while driving. She instructed [REDACTED] to sign the ticket, but he refused and argued with her regarding the validity of the citation.

The female officer who gave [REDACTED] the citation told him to shut the fuck-up and threatened him with arrest. She subsequently reached through the lowered driver's side window and grabbed him by the coat and shirt collar. [REDACTED] however, continued arguing with the same officer about signing the ticket she had issued to him. At that time, the partner officer calmly instructed [REDACTED] to sign the ticket, which he did. Even though he had signed the ticket, [REDACTED] continued arguing with the officer over the validity of the citation and attempted to plead his case with her. The officer who gave [REDACTED] the citation, however, stated that he was not the only motherfucker who has tickets and told him to shut the fuck up a second time. Upon inquiry, [REDACTED] indicated that he refused to sign the citation because he was not holding his cellular phone while driving and the officers could not have seen him talking on such due to the tinted rear windows of his vehicle. [REDACTED] described the officer who grabbed him as black female and the partner officer was of mixed race, possibly black and Hispanic. [REDACTED] indicated that he did not sustain any injury and did not seek any medical attention, and did not know of any witnesses to the incident. (Atts #7, 14)

An **Administrative Notice of Violation** issued to [REDACTED] documents that that he was cited for Driving While Using a Mobile Telephone without [a] Hands-free device. The badge number of the issuing officer was #17704. (Att #10)

An **OEMC Event Query** documents that Unit 363A conducted a traffic stop relative to this incident. (Att. #11)

A **POD** near the location of this incident did not record it. (Att #15)

Log 1073214

#17704, and Teryka Powell, #7642, were assigned to Unit 363A on the date and time of this incident. **Alpha/Star queries** note that both of the aforementioned officers are listed as female black individuals. (Atts #12, 13)

In her To/From report, Witness **Officer Teryka Powell, #7642**, indicated that she observed [REDACTED] using a mobile telephone without a hands free device. He was subsequently curbed and provided the reason for the traffic stop. [REDACTED] was upset and voiced his dissatisfaction for received an ANOV. Officer Powell indicated that she did not observe Officer Enahora grab [REDACTED] by the shirt or jacket, and did not hear her partner verbally abuse him. (Att. #19)

In her To/From Report, **Accused Officer, Shalaine Enahora, #17704**, provided the same account of the incident as Officer Powell. She denied the allegations made against her. (Att. #23)

CONCLUSION:

The R/I recommends a finding of **NOT SUSTAINED** for the allegations that Officer Shalaine Enahora, #17704, verbally abused [REDACTED] by stating, "shut the fuck up" to him and calling him a "Motherfucker," and grabbing him by the shirt and jacket. There is insufficient evidence to either support or refute the allegations as [REDACTED] and the involved officers provided differing versions of the incident.

[REDACTED] admitted that he was uncooperative with the officers and argued with them over the validity of the ticket. He indicated that he initially refused to sign the ticket and even argued with them after Officer Enahora allegedly grabbed him by the collar. [REDACTED] stated that he did not sign the ticket until Officer Powell calmly instructed him to do so. Officer Enahora denied the allegations and Officer Powell indicated that she did not observe or hear Enahora engage in the misconduct as alleged. Both officers also noted that [REDACTED] was uncooperative with them during the traffic stop. Despite this, there is no independent evidence that corroborates either account of the incident. [REDACTED] did not have a passenger nor were there any additional officers on the scene. Likewise, no audio or video recording of the incident were made. Thus, the exact details of this incident can not be determined.
